Your Youth Group is being challenged!

How to participate: Each church must register. Then determine their top two Bible experts under 18 years of age. You can do this by having a Bible challenge at your church, or your Youth Pastor can determine who will represent your church.

The Subject: New Testament – Questions will be in the New Testament. It may be the actual text, or factual information about the New Testament.

Registration is \$50 per church. The winning church will be awarded a trophy. There will be Bible Olympic gold, silver, and bronze metals for the top 3 winning participants.

If you would like to be a judge for the contest, please call the church office.
